#### **Pupil premium strategy statement**

Before completing this template, you should read the guidance on <u>using pupil</u> premium.

Before publishing your completed statement, you should delete the instructions (text in italics) in this template, including this text box.

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

#### **School overview**

Detail	Data
School name	Ormiston Maritime Academy
Number of pupils in school	581
Proportion (%) of pupil premium eligible pupils	55.77%
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended)	2021-2023
Date this statement was published	September 2021
Date on which it will be reviewed	September 2022
Statement authorised by	Mrs C Robson - Principal
Pupil premium lead	Mr J Robson – Assistant Principal
Governor / Trustee lead	Mr G Marsden

#### **Funding overview**

Detail	Amount
Pupil premium funding allocation this academic year	£296 528
Recovery premium funding allocation this academic year	£45 748

Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year	£342 276

#### Part A: Pupil premium strategy plan

#### Statement of intent

Ormiston Maritime Academy is committed to ensuring maximum progress for all groups of children and strives to close any gaps in achievement.

Ormiston Maritime Academy actively promotes equality of opportunity for all staff, governors, students and parents, creating a harmonious learning community where all can succeed.

We have a clear, strategic approach to the use of specific Pupil Premium funding and plans are integrated into wider school support and improvement systems. The monies we receive for Pupil Premium children is targeted on those eligible children. Our Pupil Premium Activity is monitored and evaluated regularly. An in-depth data analysis ensures that the correct support and strategies are identified to maximise progress.

A tiered approach is used for Pupil Premium spending as some initiatives would take place over a number of years. Using the 'EEF guide to the Pupil Premium' the initiatives will be based **on teaching**, **targeted academic support and wider strategies**.

Strong leadership systems ensure that Pupil Premium funding has the necessary impact. This includes an identified Governor having responsibility for Pupil Premium (Greg Marsden) and an overarching strategic improvement plan which has success of Pupil Premium students at its core. All matters relating to the Pupil Premium are reported back to the Local Board of Governors, ensuring that the Academy is held to account for the impact of spending. Our focus for the next three years is to ensure that the Pupil Premium funding is targeted appropriately. We want assessment data and inspection findings to suggest that the gap is narrowing. We aim that support given in class by additional adults is well focused and contributes positively to students' learning.

### **Challenges**

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Progress made by disadvantaged pupils is below NA
2	Attainment of disadvantaged pupils is below NA
3	Basics for disadvantaged pupils English and maths 5+ is below NA
4	EBacc Entry for disadvantaged pupils is below NA
5	Attendance for disadvantaged pupils is below NA
6	Suspensions and permanent exclusions for disadvantaged students is above average
7	Mental health and well-being have suffered during lockdown. Lack of support around PSHE/SRE issues during lockdown
8	Pupils, including disadvantaged, have low rates of phonics progress, exacerbated by Covid absence

#### **Intended outcomes**

This explains the outcomes we are aiming for by the end of our current strategy plan, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Achieve national average for progress 8 for all pupils amongst similar schools	-0.45 NA for disadvantaged +0.13 NA for non-disadvantaged in 2019. <b>OMA to get above -0.45</b> for disadvantaged and gap is diminishing
Achieve national average for attainment 8 for all pupils amongst	36.7 NA for disadvantaged 50.3 NA for non- disadvantaged in 2019
similar schools	OMA to get above 36.7 for disadvantaged and gap is diminishing
	(https://assets.publishing.service.gov.uk/government/uploads/system/uploads/att achment_data/file/863815/2019_KS4_revised_text.pdf)
Achieve average English and maths	Success is to improve on these scores:
5+ scores for similar schools	NA is 65% and NA of disadvantaged is 45% (at 4+)
	NA is 43% and NA of disadvantaged is 25% and non-disadvantaged 50% (at 5+)
	OMA to get above the NA for disadvantaged and gap is diminishing at 5+
Improve to national average EBacc	Success is to improve on these scores:
Entry for all pupils for similar schools	National entries in 2019 were disadvantaged 24.9% vs 44.5% non-disadvantaged

	OMA to get above the NA for disadvantaged and gap is diminishing by 2023  NA progress is 30% and NA of Ever 6 is 13% (at 4+)  NA progress is 17% and NA of Ever 6 is 7% (at 5+).
	OMA to get above progress at NA for disadvantaged and gap is diminishing by 2023
Improve attendance of disadvantaged students	NA for disadvantaged in 2019 was 9.2%
	Attendance of disadvantaged students to be consistently above 92%
Improve suspension and permanent exclusion figures	Using 2019 NA figures: <b>OMA to have lower than FTE 26.69%, FTE 1+ 10.79%, FTE 2+ 5.11%, Perm Ex 0.51%</b>
Ensure disadvantaged students have access and priority of the school counsellor	The proportion of students seen by the counsellor is at least 57%
The PSHE/SRE curriculum follows statutory guidance abut in addition learning around the local challenges	Audit of PSHE/SRE curriculum by OAT is fit for purpose and appropriate to the needs of the local area
Improve phonics scores and reading ages	Targeted phonics programme and rapid reader with disadvantaged students being prioritised and standardised tests show progress

### Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) this academic year to address the challenges listed above.

#### **Teaching (for example, CPD, recruitment and retention)**

Budgeted cost: £ 50558

Activity	Evidence that supports this approach	Challenge number(s) addressed
To ensure extra staff are timetabled to Year 11 during Personal Tutor time to focus on interventions in English, Maths and Science	Reducing class sizes appears to result in around three months additional progress (EEF)	1, 2, 3, 4
Reading Aloud program	Colin MacLeod, a psychologist at the University of Waterloo in Canada, has extensively researched the impact of reading aloud on memory. He and his collaborators have shown that people consistently remember words and texts better if they read them aloud than if they read them silently.  +5 months progress for oral language interventions	1, 2, 3, 4, 8
Web based Homework programs such as Sam Learning; GCSE pod, etc	An EEF-commissioned report analysed  300,000 students in 250 schools over 9  years.  • 'Disadvantaged students' improved most - between a fifth and nearly half a GCSE grade better per subject with ten hours' usage (two set tasks per week).  • All students who had spent ten hours or more using their SAM Learning account during Year 11 showed significant positive impact between a ninth and a third of a grade per subject.  + 4 months progress, Use of computer and technology-assisted strategies to support learning	1, 2, 3, 4
Improving feedback in lessons	Teaching and Learning toolkit from EEF says +5 months for collaborative learning approaches and peer tutoring	1, 2, 3, 4

Curriculum and AFL focus of CPD	Multiple studies through the 'teaching' element of EEF	1, 2, 3, 4
CPD programmes - National College of Teaching - NPQTLs	Professional development section of 'teaching' from EEF research	1, 2, 3, 4
Teaching and Learning lead practitioner	To provide further instructional coaching of individual staff to aid their professional development	1, 2, 3, 4
Coaching programme	'Explicit teaching' approaches form 'teaching' section of EEF research. Coaching based on 'Rosenshine's principles of instruction'	1, 2, 3, 4
Gold group Y7	EEF research on 'Flexible grouping' of year 7 students. This based on individual needs and disbanded when the purpose is met	1 - 8

## Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £ 56625

Activity	Evidence that supports this approach	Challenge number(s) addressed
50 minute intervention sessions every Tuesday and Thursday after school	Focusing on Year 11 recovery; Support sustained over a longer period of time	1, 2, 3, 4
School led tutoring	Evidence suggests that tutoring in one-to-one and small-group formats can help to improve learning, with positive impacts of up to five and four months' learning, on average, respectively (Evidence for Learning, 2020a & 2020b). A recent meta-analysis of small-group tutoring showed substantial positive impacts of an Effect Size (ES) of 0.37 on learning outcomes (Nickow et al., 2020).	1, 2, 3, 4
Tuition Partners (Pearsons) engaged	Evidence suggests that tutoring in one-to-one and small-group formats can help to improve learning, with positive impacts of up to five and four months' learning, on average, respectively (Evidence for Learning, 2020a & 2020b). A recent meta-analysis of small-group tutoring showed substantial positive impacts of an Effect Size (ES) of 0.37 on learning outcomes (Nickow et al., 2020).	1, 2, 3, 4
Recruitment of two academic mentors	Strong published evidence points to effectiveness of tutoring. Progress is +5 months	1, 2, 3, 4
	Research shows 6-12 week programme results in optimum impact	
Purchase revision guides for Ebacc subjects	"Students who can test themselves or try to retrieve material from their memory are going to learn that material better in the long run "Start by reading the text book then make flash cards of the critical concepts and test yourself. "A century of research has shown that repeated testing works." This is because the student is more engaged and it is harder for the mind to wander. (Dunlovsky, Kent State Uni)  Resources provided as those who are pupil premium	1, 2, 3, 4
	likely to not have them (Ambition Institute)	
Maths And English Mastery courses	+5 months progress. One of the 45 strategies that are effective and at low cost (https://educationendowmentfoundation.org.uk/educationevidence/teaching-learning-toolkit/mastery-learning).	1, 2, 3, 4, 8

	Learners work through each block of content in a series of sequential steps and must achieve a level of success, measured through testing, before progressing to new content.	
Phonics training Rapid reader Lexonic	1. Phonics has a positive impact overall (+5 months) with very extensive evidence and is an important component in the development of early reading skills, particularly for children from disadvantaged backgrounds. (EEF)	1, 2, 3, 4, 8
Two SENCos Assistant Principal on NASENCo course CPD on SEND	EEF: planning for pupils with SEND. Quality CPD and resources bought to provide this  20% of students are SEND and PPG	1, 2, 3, 4
TA deployment  – targeted interventions (e,g lexonic; lego therapy etc) and classroom provision	EEF research say that TA deployment can be effective is deployed appropriately to targeted interventions and supporting classroom provision  20% of students are SEND and PPG	1 - 7
Use of Integrated Support for interventions		

## Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £ 235093

Activity	Evidence that supports this approach	Challenge number(s) addressed
Appointment of Progress Leaders for each Year group	Disproportionate numbers of disadvantaged students missing lessons due to behavioural reasons	5, 6, 7
Pastoral coordinators	Disproportionate numbers of disadvantaged students missing lessons due to behavioural reasons – these non-teachers to support quickly to reduce escalation	5, 6, 7
Reflection room coordinator	To prevent suspension and permanent exclusions; time for students to regulate their behaviour which more disadvantaged students need to do	5, 6, 7
Employ extra attendance officer	Disproportionate numbers of disadvantaged students missing lessons due to behavioural reasons	5
The Hub	Internal data showing improved attendance and engagement, whilst fewer suspensions by hub students	5, 6 ,7
Wellspring	To provide a curriculum to students who find mainstream, education difficult after all other avenues exhausted	5, 6
Uniform Fund/Stationery Fund	The Children's Society research found that parents spend around £340 per year on school uniforms for each secondary school child. More than one in 10 parents fell into debt to pay for school uniforms.	7
Exam preparations	To help Year 11 students to emotionally prepare for exams (Ambition Institute research)	7
School counsellor	+ 4months progress. Targeting the social and emotional learning (SEL) of students improves their interaction with other and management of emotions	7
Behaviour Resilience Mentor	+ 4months progress. Targeting the social and emotional learning (SEL) of students improves their interaction with other and management of emotions	5, 6, 7

Careers advisor/careers programme	Gatsby benchmark 8 - Every pupil should have opportunities for guidance interviews with a careers adviser to reduce NEETs	1 - 7
Edulink App and platform	+ 3 months progress for parental engagement	1, 2, 3, 4
PSHE programme	PSHE lead to ensure the SEL curriculum is responsive to students' social and emotional needs and incorporates local data	7
Votes for schools	+ 4months progress. Targeting the social and emotional learning (SEL) of students improves their interaction with other and management of emotions	7
Rewards	To celebrate good progress in academics, behaviour and attendance	1-6

# Part B: Review of outcomes in the previous academic year

#### Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

Please see previous document which includes the analysis of the Pupil Premium
spending in 2020-21

#### **Externally provided programmes**

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

Programme	Provider

#### **Service pupil premium funding (optional)**

For schools that receive this funding, you may wish to provide the following information:

Measure	Details
How did you spend your service pupil premium allocation last academic year?	
What was the impact of that spending on service pupil premium eligible pupils?	

### **Further information (optional)**

Use this space to provide any further information about your pupil premium strategy. For example, about your strategy planning, or other activity that you are implementing to support disadvantaged pupils, that is not dependent on pupil premium or recovery premium funding.
