Dear parents and carers

As you may be aware, there have been student protests in a small number of schools across the country fueled by a TikTok craze. If any such event occurred at Ormiston Maritime Academy, I would have to put in place severe consequences to the students involved to ensure there is an orderly learning environment.

I would appreciate your support in ensuring that your child is not influenced by this latest craze and that you continue to support the academy's policies.

Both parents and students are welcome at any point to meet with me with regards to these policies.

Yours faithfully

A handwritten signature in black ink, appearing to read "C Robson".
