Tuesday 9th May 2023

Dear Parent/Carer

Franklin Experience Day 2023

Ormiston Maritime Academy (OMA) would like to invite your child to participate in an Experience Day at Franklin College on Monday 17th July 2023.

The event will provide the opportunity for enthusiastic students to spend a day exploring future course opportunities with Franklin College.

Benefits of the Taster Day are:

- Give students the opportunity to gain first hand knowledge of courses at Franklin College.
- Encourage independence through seeking out information about their interests.
- Meet and interact with tutors from all fields in Franklin College.
- Explore opportunities for future career pathways and attend motivational speeches.

The schedule for the day will be to leave OMA at 9.00am and walk to the venue. The Taster Day will finish during period 3 and students will leave Franklin College and walk back to the Academy in time for lunch. Refreshments will be provided.

Places for this event are limited and have been allocated by looking at your child's progression throughout the year. However, if you feel that this is not something they would like to participate in then let me know so that the place can be re-allocated.

Yours faithfully

Miss Thornton
Careers Lead
