3<sup>rd</sup> June 2024

Dear Parent/Carer

### **The North East Lincolnshire Skills Fair for Year 10 students**

Your child will be attending the North East Lincolnshire Skills Fair 2024 at Grimsby Auditorium on Wednesday 10<sup>th</sup> July. The schedule for the day will be to leave OMA at 10.15am by coach returning to the academy at 12.15pm.

The Skills Fair is the largest skills and careers event in the area and has been running for several years. It provides young people with the chance to find out about life after year 11, the choices available and to inspire them when making decisions regarding future careers and the skills they will need.

At the Skills Fair there will be the opportunity to:

- talk to employers about what it is really like to work in a wide range of sectors
- meet college's, sixth forms and training providers
- find out about apprenticeships
- meet Universities and find out about higher education
- get expert careers advice
- take part in 'have a go' activities

This year the Skills Fair will include the Phillips 66 STEM Village providing information about careers in science, technology, engineering, energy and the renewables sectors.

For the latest information about the Skills Fair 2024 please log on to [www.lincs2.co.uk](http://www.lincs2.co.uk)

Yours faithfully
