If they are unable to collect in person they can provide in advance a stamp-addressed envelope for the results to be posted or a written letter or email giving permission for someone else to collect their results.

Finally, I want to thank all students and parents for what has been an amazing five years together. I started as Principal at Ormiston Maritime in September 2019 when the students started in Year 7. I am extremely proud of the mature, young adults they have grown into.

I wish them the best of luck, that they get the GCSE results they deserve and best wishes for the future.

Yours faithfully

Mrs C Robson
