

Subject: Performing Arts (Dance/Drama) Year 9 Curriculum Map 2025-2026

	Topics covered and core knowledge and skills	Links to careers	Resources Links
Half term 1	Students will research and understand the principals of musical theatre. Students will develop their skills from years 7&8 and apply these practically. Students will research and study a musical theatre performance piece, watching more than one adaptation. Students will compare adaptations and explain how different techniques/effects have been used to create an impact on the audience. Half term 2	Students will practically learn and add to their practical repertoire. Confidently perform their own devised performance pieces and give/receive peers feedback. Students will then learn how to critically self evaluate their own work, touching on areas of improvement.	For Careers Click Here	This link would take you to the KO on our website Musical Theatre
