Dear Parents/Carers

This is a critical time for your child as they prepare for and sit their GCSE's.

As part of our ongoing support, we are providing revision and consolidation lessons in between the formal exam timetable.

We appreciate that this can be a stressful time but these national exams are so important for your child and their future opportunities so we are asking for your support and encouragement.

The following points are to provide clarity and avoid any confusion for you and your child.

- All year 11 students are expected in school for the school day as usual
- If a student has a planned medical appointment, please notify us with evidence (48hrs) prior to the day
- If your child is too sick to sit an exam, please notify us as soon as possible, with evidence from a doctor/professional as the exam board insist on evidence (no special consideration will be allowed).
- If a student does not attend for an exam without legitimate reason, there will be a financial cost to parents for the exam fee.

Thank you for your ongoing support.

Yours faithfully
